MANAGEMENT INFORMATION CIRCULAR

As at December 18, 2019

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF COBALT POWER GROUP INC. (the "**Company**") of proxies to be used at the annual general and special meeting of shareholders of the Company to be held on Thursday, January 16, 2020 at Suite 401, 217 Queen Street West, Toronto, Ontario, M5V 0R2 at 10 :00 a.m. (Eastern time), and at any adjournment or postponement thereof (the "**Meeting**") for the purposes set out in the accompanying notice of meeting (the "**Notice**"). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Notice, this management information circular ("**Circular**"), the annual consolidated financial statements of the Company for the financial years ended January 31, 2019 and January 31, 2018 and related management's discussion and analysis and other meeting materials, if applicable (collectively the "**Meeting Materials**") to the beneficial owners of the common shares of the Company (the "**Common Shares**") held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice.

APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Registered Shareholder**") may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the transfer agent and registrar of the Company, Computershare Trust Company of Canada, (the "**Transfer Agent**") not later than 10:00 a.m. (Eastern time) on Tuesday, January 14, 2020 or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

By Mail or Hand Delivery:	Computershare Trust Company of Canada 8th Floor, 100 University Avenue Toronto, Ontario M5J 2Y1
By Telephone	1-866-732-8683 (toll free) You will need to provide your 15-digit control number (located on the form of proxy accompanying this Circular)
By Internet:	www.investorvote.com <u>You will need to provide your 15-digit control number (located on the form of proxy accompanying this Circular)</u>

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the provisions of the *Business Corporations Act* (British Columbia), to (i) the registered office of the Company, located at Suite 142, 1146 Pacific Boulevard, Vancouver British Columbia, V6Z 2X7, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a beneficial holder of Common Shares who does not appear on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (each a "**Clearing Agency**") of which the Intermediary is a participant.

Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "**VIF**"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such

Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Company consists of an unlimited number of Common Shares without par value. As of December 12, 2019 (the "**Record Date**"), there were an aggregate of 15,860,558 Common Shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Company's directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED ON

Other than as otherwise disclosed in this Circular, no director or executive officer of the Company who was a director or executive officer at any time since the beginning of the Company's last financial year, or any associate or affiliates of any such directors or officers, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

Randy Koroll, Confirms that while Chief Financial Officer, two companies were subject to cease trade orders. The first in April 2019 (Agility Health, Inc.) and the second in November 2016 (Star Navigation Systems Group Ltd.). Another company (Bassett Media Group) was subject to a bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets in November 2010.

Personal Bankruptcies

Other than set forth below, None of the directors of the Company have, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such person.

In September 2012, Mr. Koroll completed a Consumer Proposal to unsecured creditors. The proposal was accepted in November 2012. He was discharged from the Consumer Proposal on February 26, 2014.

Penalties and Sanctions

None of the directors of the Company have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

At the request of management of the Company, Davidson & Company LLP, Chartered Professional Accountants were terminated as auditors of the Company. The directors of the Company appointed RSM Canada LLP, as auditors of the Company effective March 29, 2019, to fill the vacancy created thereby. Shareholders are being asked to confirm the actions of the Board and appoint RSM Canada LLP as auditors of the Company to hold office until the next annual meeting of Shareholders. Davidson & Company LLP, Chartered Professional Accountants, were first appointed as the Company's auditors on April 1, 2016.

Unless the Shareholder directs that his or her Common Shares are to be withheld from voting in connection with the confirmation appointment of auditors, the persons named in the enclosed form of proxy intend to vote FOR the appointment of RSM Canada LLP as the auditors of the Company until the next annual meeting of Shareholders and to authorize the directors to fix their remuneration.

In accordance with the provisions of National Instrument 51-102, annexed to this Circular as Appendix "B", is the requisite reporting package, including the notice of the Company to Davidson & Company LLP, Chartered Professional Corporation and RSM Canada LLP stating that there are no reportable events and the letters of Davidson & Company LLP, Chartered Professional Corporation and RSM Canada LLP to the British Columbia Securities Commission and the Alberta Securities Commission.

4. APPROVAL AND CONFIRMATION OF THE STOCK OPTION PLAN

The Company has adopted a "rolling" stock option plan (the "**Stock Option Plan**") for officers, directors, employees and consultants of the Company. The Stock Option Plan provides for the issue of stock options to acquire up to 10% of the issued and outstanding Common Shares as at the date of grant, subject to standard anti-dilution adjustment. This is a "rolling" stock option plan as the number of Common Shares reserved for issue pursuant to the grant of stock options will increase as the number of issued and outstanding Common Shares increases. At no time will more than 10% of the outstanding Common Shares be subject to grant under the Stock Option Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares in respect of that expired, exercised or terminated stock option shall again be available for the purpose of the Stock Option Plan. The principal features of the Stock Option Plan are described in more detail below in the section entitled "*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*".

The Stock Option Plan was last approved and confirmed by the shareholders of the Company at the annual general and special meeting of shareholders held on June 29, 2017. The Stock Option Plan is a "rolling" stock option plan and under Policy 4.4 of the TSX Venture Exchange (the "**TSXV**"), a listed company on the TSXV is required to obtain the approval of its shareholders for a "rolling" stock option plan at each annual meeting of shareholders. Accordingly, shareholders will be asked to approve the following resolution (the "**Stock Option Plan Resolution**"):

"BE IT RESOLVED THAT:

1. the stock option plan of the Company as described in the management information circular dated December 18, 2019 (the "**Stock Option Plan**"), be and it is hereby confirmed and approved."

In order to pass the Stock Option Resolution, at least a majority of the votes cast by the shareholders present at the Meeting in person or by proxy must be voted in favour of the Stock Option Resolution.

The Board recommends that shareholders vote in favour of the Stock Option Resolution to approve and confirm the Stock Option Plan as set out above.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE STOCK OPTION PLAN RESOLUTION UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

5. APPROVAL OF ADOPTION OF NEW ARTICLES

At the Meeting, the shareholders will be asked to pass a special resolution, the full text of which is set out below, authorizing the Company to adopt a new form of Articles (the “**New Articles**”). The New Articles will streamline the processes and procedures relating to the Company, but will not change any of the rights attached to the Company’s common shares.

The following is a summary only of the principal differences between the New Articles and the existing Articles of the Company (the “**Existing Articles**”). Nothing that follows should be construed as legal advice to any particular shareholder, all of whom are advised to consult their own legal advisors respecting all of the implications of the adoption of the New Articles.

Existing Articles

Replacement of Lost, Stolen or Destroyed Certificates of Acknowledgements

The Existing Articles provide that in the event of a lost, stolen or destroyed share certificate, the Company must issue a replacement where the person entitled to such certificate provides proffer satisfactory to the Company of the loss, theft or destruction and any indemnity the directors consider adequate.

Registering Transfers (of Shares)

The Existing Articles do not address any requirements of a transfer agent in the event of transfers of shares.

Transmission of Shares

New Articles

Replacement of Lost, Stolen or Destroyed Certificates of Acknowledgements

The New Articles are more detailed and provide that in the event a person’s share certificate has been lost, destroyed or wrongfully taken, the Company is only required to issue a new share certificate to the person if that person (i) requests a new certificate before the Company has notice that the certificate has been acquired by a protected purchaser, (ii) provides the Company with an indemnity bond sufficient to cover any loss the Company may suffer by issuing a new certificate and (iii) satisfies any other reasonable requirements imposed by the directors. In addition, the New Articles specify that such person is not entitled to assert against the Company a claim for a new share certificate if that person fails to notify the Company of the fact within a reasonable time after the person has notice of it and the Company registers a transfer of such shares before receiving notice of the loss, apparent destruction or wrongful taking of the share certificate.

Central Securities Register

The New Articles permit the Company to maintain branch securities registers at any locations inside or outside of British Columbia designated by the directors.

Registering Transfers (of Shares)

The New Articles provide that before a share may be transferred, amongst other specified items, the transferee must provide evidence required by the transfer agent.

Transmission of Shares

Under the Existing Articles, if the Act does not specify the type of resolution and the Existing Articles do not specify another type of resolution, the Company may by special resolution alter the Existing Articles.

Special Business at Meetings of Shareholders

The Existing Articles sets out a list of items at an annual general meeting that are not deemed "special business" (i.e., business related to conduct of or voting at the meeting; considering financial statements and reports of the directors or auditor; setting or changing the number of directors and electing directors; appointing the auditor and fixing their remuneration, etc.).

Quorum at a Shareholder Meeting

The Existing Articles set quorum at a shareholders meeting at "...one person who is or represents by proxy a shareholder entitled to vote at the meeting".

Chair of a Shareholder Meeting

The Existing Articles provide that the individual who will preside as chair at the meeting will be the chair, if any, and if the chair is absent or unwilling to act then the president, if any.

Notice of Directors' Meetings

The Existing Articles provide that directors must receive at least 48 hours' notice of each meeting, other than for meetings held at regular intervals.

The New Articles insert rights of legal personal representatives on bankruptcy of a shareholder and requirements for the registration of transfer of shares after death or bankruptcy.

Capital Alterations

Under the New Articles, unless the Act requires otherwise, the Company may complete any alteration of its authorized share structure (such as the creation or elimination of any class or series of shares; subdivision or consolidation of its authorized shares; changing the par value of the shares of the Company; or altering the identifying name of any shares of the Company) upon approval by the directors.

Under the New Articles, a name change may be effected upon approval by the directors.

Under the New Articles, unless a different type of resolutions is required by the Act or the New Articles, the directors may authorize and cause the Company to make any alterations to its Notice of Articles and the New Articles.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board, at the recommendation of the Compensation Committee, determines the compensation payable to the directors of the Company and reviews such compensation periodically throughout the year. For their role as directors of the Company, each director of the Company who is not a Named Executive Officer may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Company who are not Named Executive Officers were compensated by the Company or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Company.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards.

The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long term value; and
5. connect, if possible, the Company's employees into principles 1 through 4 above.

The Board approves, or recommends for approval, all compensation to be awarded to the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board may direct the Compensation Committee and management to gather information on its behalf and provide initial analysis and commentary. The Board reviews this material along with other information received from any external advisors which may be retained in its deliberations before considering or making decisions. The Board has full discretion to adopt or alter management or Compensation Committee recommendations. The Board also reviews and approves the hiring of executive officers.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers of the Company is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers.

The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Reliance on Exemptions in NI 52-110 regarding

De Minimis Non-audit Services or on a Regulatory Order Generally

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit); or
2. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Company for professional services rendered to the Company during the fiscal years ended January 31, 2019 and January 31, 2018 and January 31, 2017:

REPORT ON CORPORATE GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines.

In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company's approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

Board of Directors

The Board is currently composed of three directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed nominees, Mr. Dyer, of the Company is considered not to be "independent". The remaining two proposed directors are considered by the Board to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

Directorships

The following table sets forth the directors of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuers
John Dyer	Pedro Resources Ltd., SBD Capital Corp.
Randy Koroll	The Mint Corporation
Brian Stecyk	Pedro Resources Ltd., SBD Capital Corp.

Board Committees

The Board has constituted two committees. The following directors are the current members of the following committees:

- *Audit Committee:* John Dyer (Chair), Randy Koroll and Brian Stecyk.
- *Compensation Committee:* John Dyer (Chair), Randy Koroll and Brian Stecyk.

Members of these committees are appointed annually to hold office until the next annual general meeting of the shareholders of the Company or until their successors are appointed.

Audit Committee

The Audit Committee is composed of three directors as named above, of which each of Messrs. Koroll and Stecyk are "independent". The operation of the Audit Committee is described in the section entitled "*Audit Committee Information Required in The Information Circular of a Venture Issuer*" in this Circular.

Compensation Committee

The Compensation Committee is composed of three directors as named above of which each of Messrs. Koroll and Stecyk are “independent”. The Compensation Committee is responsible for: (i) reviewing and approving corporate goals and objectives relevant to the compensation of the chief executive officer of the Company, evaluating the performance of the chief executive officer of the Company in light of those corporate goals and objectives, and determining (or making recommendations to the Board with respect to the compensation level of the chief executive officer of the Company based on this evaluation); (ii) making recommendations to the Board with respect to other officers and directors compensation and incentive-compensation plans; and, (iii) reviewing the executive compensation disclosure before the Company publicly discloses this information.

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Company and the nature of its business. New Board members are provided with information regarding the functioning of the Board and its committees and full access to management. New Board members are encouraged to, (i) communicate with management, auditors and technical consultants, (ii) keep themselves current with industry trends and developments and changes in legislation with management's assistance, (iii) attend industry related seminars and (iv) visit the Company's operations.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board of directors are reviewed by the entire Board.

Other Board Committees

The Board currently does not have any standing committees other than as set in the section entitled "*Board Committees*" above.

Assessments

Currently the Board has not implemented a formal process for assessing directors.

OTHER MATTERS

The management of the Company knows of no other matters to come before the Meeting other than as set forth in the Notice. **However, if other matters which are not known to management should properly come before the Meeting, the accompanying form of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.**
